

AERIAL SURVEY • INSPECTION • MAPPING

DRAW IT. THEY FLY IT.

Plot the flight on a map, post it, and licensed pilots bid to fly it. You pick one. That's the whole job.

01

Map the job

Drop waypoints, draw the path, set a flight zone. No spec docs.

02

Compare bids

Same scope, so every quote is directly comparable.

03

Award & track

One pilot, one price, tracked to completion.

TYPICAL COST
\$390 – \$900
